GEORGE TOWN, July 24 -- Perbadanan Bekalan Air Pulau Pinang Sdn Bhd (PBAPP) has collected RM50 million through JomPAY in the first half of this year, just RM10 million short of the amount netted for the whole of last year through this online payment system.

PBAPP chief executive officer Datuk Jaseni Maidinsa said many PBAPP customers have been using the JomPAY facility since it was introduced in January last year. He said RM69 million in payments was collected from Jan 1 until Dec 31 last year.

"JomPAY via online banking payment is PBAPP's main payment channel for 'contactless payment' during COVID-19 pandemic. This facility benefits 631,250 registered water consumers with online banking access in Penang," he said in a statement here today.

He said to encourage more PBAPP customers to utilise JomPAY, PBAPP together with Payments Network Malaysia Sdn Bhd (Paynet), the operator of JomPAY, and PBAPP's JomPAY anchor bank CIMB Bank launched the JomPAY & Win Campaign in January this year.

In addition, Jaseni said, customers can also make their payments via MyPBA mobile app, Pos Malaysia, Paylink kiosks, ATM and authorised collection agencies such as Happy Mart.
