AIR ITAM, FARLIM AND PAYA TERUBONG OVERNIGHT WATER SUPPLY INTERRUPTION (21.2.2025 – 22.2.2025): PIPELINE DIVERSION FOR TUN DR. LIM CHONG EU EXPRESSWAY – AIR ITAM BY-PASS ROAD PROJECT

- **18 hours: 9.00pm, Friday (21.2.2025) – 3.00pm, Saturday (22.2.2025).**
- **About 33,500 consumers affected.**

PENANG, Wednesday, 19.2.2025: There will be an 18-hour overnight scheduled water supply interruption in the Air Itam, Farlim and Paya Terubong areas on Penang Island, starting from 9.00pm on Friday, 21.2.2025.

This scheduled water supply interruption (SWSI) was approved by the National Water Services Commission (SPAN) in a letter received by PBAPP on 17.2.2025. The summary of this SWSI is as follows:

1. Duration	18 hours: 9.00pm, 21.2.2025 – 3.00pm, 22.2.2025.
2. Affected consumers	33,500
3. Key locations	Air Itam, Farlim and Paya Terubong: Please refer to “Appendix A” for the full list of affected neighbourhoods.
4. Reason(s)	PBAPP has to temporarily close 5 valves in 5 pump houses to facilitate the final connection works of a 600mm pipeline diversion project at the Thean Teik Highway, in front of the Farlim Market.

Water consumers in the affected areas are advised to store sufficient water for use during the SWSI.

Kindly note that this SWSI is directly related to a 600mm water pipeline diversion project to accommodate state flood mitigation works related to the Tun Dr. Lim Chong Eu Expressway – Air Itam By-pass Road Project.

An existing major mild steel (MS) water supply pipeline must be safely diverted away from the project area to avoid mishaps that may cause water supply issues in the affected areas.

PBAPP apologises for all inconveniences that will be caused by this SWSI. Please note that it is necessary to facilitate on-going state development works for the benefit of the people.

For updates on this 18-hour SWSI in Air Itam, Farlim and Paya Terubong, please visit the PBAPP FB page and/or contact the PBAPP 24-Hour Call Centre (tel. no: 04 255 8 255).

Thank You.
